

PLEASE DO NOT FEED THE LIONS

Arlington High School **will not accept** any food for lunch drop-off for students. Arlington students will need to bring any food items with them in the morning or purchase food items available from the school cafeteria, student store or vending machines. We also offer a FREE after school snack. In line with our other district high school campuses, Arlington has instituted this policy in an effort to enhance campus safety and minimize impact on office staff and campus supervision. Thank you for your understanding in this matter.
